

FLORIDA CUP MEDIA GUIDELINES:

Thank you for your interest in covering the Florida Cup. Entering its seventh year, the Florida Cup blends first class entertainment with the thrill of international soccer, drawing premier teams and fans from around the world to the Sunshine State.

To facilitate your coverage of our matches, the Florida Cup will credential media members from accredited outlets. This includes online media.

We review every application individually and base our decision on the outlet's prior coverage, readership/viewership, reporters' experience covering professional soccer, and other factors. Please understand that media interest is incredibly strong for this year's event so not all credential applications will be approved.

Approval notices will be emailed by July 16th.
